

## Family Talk – *Born Again*

### READ TOGETHER

---

#### Acts 9:1–31

1. What do you think it was like to be in Ananais's shoes?
2. Why can it be scary to talk about Jesus with non-believers?
3. How did Saul's encounter with the risen Christ change the course of his life?

### LIVE IT

---

Acts 9 records the story of Saul's transformation. He went from being an enemy of the gospel to one of it's greatest proclaimers. He went from persecuting believers to ministering to them. He was literally blind, and then God allowed him to see.

In what ways is your life different today than it was before you encountered Him? What areas do you still need to allow the Spirit to guide and change you? As you share your answers with your family, take time to pray for one another, thanking God for how He's moved. Ask His Spirit to continue to make you more like the Son.

### LEAN ON GOD

---

Dear God,

Thank You for changing my life. Please forgive me when I've held back and refused to follow Your lead. Send your Holy Spirit to help me continue to become more like Your Son. Remind me that You forgive every sin. I love You.

In Jesus name,

Amen
