

Family Talk – Persecution of Faith

READ TOGETHER

Hebrews 11:35b-40

1. What stands out to you from these verses?
2. What does believing in God mean to you and your family?

LIVE IT

These verses are tough to read. Fortunately, we live in a time and place where Christians don't face threats of violence like Christians did in the past, but obstacles still create distance between God and us.

Is there anything that would cause you to walk away from God? What about **inconvenience**? What happens when going to Church and learning about Jesus isn't on your terms or doesn't fit into your lifestyle? It feels terrible when we study the Bible and it points out our sins, but it also reminds us we should change to please God and experience His best for our lives!

So, the big question is, **Is God Worth It?** If the answer is **Yes**, discuss how you and your family can make sure you remain close and are continually leaning on Him.

LEAN ON GOD

Dear God,

Thank You for this day. Help us demonstrate our love for You, remain close to You, and continually lean on You. I pray that Your followers going through tough times have the strength to overcome obstacles in their paths. Help us remember that You are in control.

Amen.
