

Happy March!

It's that time of year when everyone wears green and has a touch of Spring Fever! During March, the children may learn about spring, farms, St. Patrick's Day, butterflies and insects. Our shape of the month is oval, and our color is green.

Remember, even though spring is almost here, we'll still have some chilly, if not cold, days. Please send your child to school dressed appropriately for the weather of the day.

Registration

Thanks to everyone who signed up for the Preschool Academy next year! We have very few spots left. What a great compliment! Again, thank you!

Parent/Teacher Conferences

Teachers with children ages 3 and older will hold Parent-Teacher conferences in March and April. Please look for information from your teacher about sign-ups for conference slots.

Labels

Please label all your child's food containers, drink containers and articles of clothing. We want to avoid misplaced items. Also, please send lunch heat-ups separately in **non-glass** microwavable containers.
