John 8:12

1. What stands out to you from this verse?
2. What is the light that leads to life?

LIVE IT

Have you ever gotten up in the middle of the night and run into a door or wall? Not only does it hurt, it's startling and a little embarrassing. The door or wall didn't pop out of nowhere, it was there the entire time. You just couldn't see it.

In the same way we need light in our physical lives, we also need light in our spiritual lives. When we walk with Jesus we see the world in a different light. We truly know what is right and wrong. The spirit leads us to make better choices, and we never want to be in the dark again.

What are some ways you can have an even better relationship with God?

LEAN ON GOD

Dear God,

Thank You so much for this day. Thank You for being the light we need in this dark world. I pray that we all move closer to You and we all shine Your light.

Amen.
