

Family Talk–Good News

READ TOGETHER

Galatians 1:11–24

1. What stands out from this passage to you and your family?
2. What did Paul do when he received the Good News?

LIVE IT

If you've been going to church, you've heard the Good News. What have you done with it? When we get good news we normally cannot wait to tell someone, but when it comes to the greatest news of all, we sometimes hesitate and don't share it as freely. As a family, how can you tell more people about the love of Jesus?

As soon as Paul heard from Jesus, he sprang into action. He started serving almost immediately. As Christians we are called to serve. Deciding to serve isn't a yes or no question, but a when and where question. When and where will you serve next?

LEAN ON GOD

Dear God,

Thank You so much for this day. Thank You for sending your Son who came not to be served, but to serve and set an example for us. God, You are amazing, and we thank You so much for Your love.

Amen.
