Ruth 4

1. Have you ever been in a situation where you were helpless?
2. Do you see your story in Ruth or Boaz?

LIVE IT

True story. An old Palestinian Christian woman was wed to a man of a different religion after his first wife died. The Christian woman became his wife and a mother to his two young children. When he died, the kids inherited everything, and she had nothing.

Even though this story appears to have a sad ending, the woman was joyful and wore the most beautiful smile! Her secret? She had faith. She packed away memory after memory of the wonders and mercy she had seen God offer in the past. She witnessed God redeem situations, and He proved faithful in hers. He sent people, believers especially, who helped her in every way.

LEAN ON GOD

Gracious God,

Thank you for redeeming me in Christ's name. Show us who we can personally impact so that they can be changed forever.

In Jesus name,

AMEN
