

Family Talk – Goodness

READ TOGETHER

Galatians 6:10

1. Goodness is seen in the actions we take that show kindness towards others. In Galatians 6:10, what do you think are some things Paul had in mind for us to do?
2. Would you say that Acts 9:36 describes you? Why or why not?

LIVE IT

If kindness is our disposition towards others, then goodness is our plan to carry that out. Goodness involves direct actions for the benefit of others. This week identify two or three ways that you can do something good for someone you know.

As a family, pray and ask God's Spirit to guide you to a person and a specific deed you can do for them. Share with your family what God does through you!

LEAN ON GOD

Dear God,

Thank You for thinking kindly of us and showing us that kindness through Your good actions. Thank You for Your Son Jesus. Help us think kindly and demonstrate these thoughts through good actions this week which are all for Your glory.

We love You.

Amen.
