

Family Talk – The Life of Jesus

READ TOGETHER

[Mark 1:12–13](#)

1. Why do you think the Spirit would lead Jesus to a place where Satan would tempt Him?
2. What would it have been like to be cared for by angels? Why did they take care of Jesus?

LIVE IT

As Jesus was preparing for public ministry, He went away to prepare His spirit and body for what was to come. Satan tempted Him with something that would've been a great need at this time...food.

As you talk with your family and friends this week, be sure to ask about their needs. When we know and seek to meet the needs of others, then we help defend against temptations from Satan.

LEAN ON GOD

Dear God,

Help us focus on getting our needs met by You. Thank You for being aware of what we need even before we ask for it. Give us opportunities to get away and spend time with You as we prepare to live life in the Kingdom.

We love You!

Amen.
